Honorable Thomas P. Griesa  
United States District Court for  
the Southern District of New York

New York, NY 10007

Re: *NML Capital, Ltd. v. Republic of Argentina*, 08 Civ. 6978 (TPG);  
09 Civ. 1707 (TPG); 09 Civ. 1708 (TPG); 14 Civ. 8601 (TPG);  
and 14 Civ. 8988 (TPG) and related cases

Dear Judge Griesa:

I write on behalf of NML Capital, Ltd (“NML”) with the consent of Michael Paskin, of Cravath, Swaine & Moore LLP, counsel for Argentina, to request that Your Honor approve a short extension of the briefing schedule set in the Order to Show Cause (“Order”) signed by Your Honor on February 11, 2016 in the above-referenced matters and related cases.

Mr. Paskin and I have agreed that Plaintiffs’ papers in response to the Order shall be filed by February 18, 2016, at Noon (a two day extension), and any reply papers shall be filed by February 19, 2016, by 3:00 p.m. (a one day and 3 hour extension). I respectfully request that Your Honor “So Order” this request for a modest extension.

APPROVED

I should note that I have not been able to canvass counsel for all of the Plaintiffs whose actions are covered by the Order to obtain their approval for this request, but I expect that they will be agreeable. I intend to inform them of Your Honor’s ruling as soon as we have it.

Also, the Order to Show Cause does not set a hearing date for Argentina’s motion. It is respectfully requested that the Court set a date for oral argument before deciding this very important motion.

So ORDERED:
